

Kean Crew: Bill Spadea's October 23rd Message

October 23, 2006

Kean Crew Members -

What a great way to start the week! Although as a Republican you don't expect to have major newspaper endorsements, this election is different. We're fortunate to be in a campaign where national trends are being superseded by local issues and action. Tom Kean is gaining momentum because he's effectively articulating the 'kitchen table' issues so important to families in New Jersey. Remember, as former Speaker of the House, Tip O'Neill famously said, "All politics is local." Your local effort in the next two weeks may be the difference between a Republican U.S. Senate and one controlled by the Democrats. Think about what this means on issues like the tax burden on average American families, our troops counting on added support and funding, illegal immigration and the overall plan to keep America safe. Tom Kean's strong platform as an 'Independent Reformer', his New Jersey focused message, strong character and high ethical standards & actions have all helped to make New Jersey the potential counter-trend to the recent national 'Blue' momentum.

With only fifteen days to go, your immediate action is critical. This week, we're hosting several phonebanks throughout Middlesex and Mercer Counties - please email volunteer@billspadea.com to sign up for whatever time you have available - even 30 minutes helps the cause! For our volunteers in South Jersey, on Saturday, October 28th at 1PM, there will be a volunteer Action Day occurring at the Ocean City Victory HQ located at 608 Asbury Avenue in Ocean City. Email Frank Luna frank.luna23@gmail.com for more info about the Action Day.

Tomorrow, we'll be in Freehold for the Second Annual "12th District Rally" and on Wednesday, we're taking our grassroots activist message to Stockton State and Rowan University. Please email Frank Luna frank.luna23@gmail.com if you want to be a part of one of the fastest growing grassroots networks in the nation.

Remember, your personal challenge is to knock on at least 500 doors before the election. The time for action is now. Next week we'll be discussing the final 72 hour effort to put Tom over the top on Election Day. Email me directly bill@billspadea.com if you have comments or questions about how our network can help you turnout the vote in your hometown.

See you on the trail...

Bill
