Bill Spadea for Assembly

December 29, 2011 - Princeton, NJ

Princeton Township Republicans Endorse Bill Spadea for Assembly LD-16

Dear Committee Members:

We're proud to support Bill Spadea for the Assembly. Bill has been a strong fixture in our community and District for many years. As a volunteer, he serves on our Zoning Board and the Board of Princeton Battlefield Society. He is the Master of Ceremonies for the Spirit of Princeton and at our significant holiday events, including the Veterans Day and Memorial Day wreath laying ceremonies honoring our fallen heroes. Bill is a positive, enthusiastic, dedicated leader. He used his time and talents on behalf of building our party and candidate development throughout the state. He's a strong supporter of Governor Christie's reform agenda and will be an effective advocate for the taxpayers in the 16th district.

Please join us in casting your vote for Bill Spadea for Assembly at the Special Convention!

Yours,

Colin Vonvorys - Current Princeton Township Committee Member

Stuart Duncan - Current Princeton Township Committee Member

Nelson Obus - Current Princeton Township Committee Member

Tom Pyle - Former Princeton Township Republican Committee Chairman

Jodi Bouer - Princeton Township Republican
